**Prayer:**

- Requests & Discussion

**Discussion:**

- What is one word that you would like to be used by others to describe you?
- Read Luke 7:11-15
  - Why is it significant that the dead person was the only son of a widow, particularly in that society?
  - What does it mean to you that Jesus heart went out to the widow?
  - What might the crowd have been feeling when Jesus approached the coffin and touched it?
  - What does verse 15 mean to you?
  - What reasons might Jesus have to perform this miracle?
  - How would this story have been different if Jesus wasn’t present?
- Read Luke 7:16-17
  - What does verse 16 mean to you?
    - Do you think the crowd understood how right they were in these statements?
    - What can God help you with?
  - How can you spread the word about Jesus power in our lives today?
